## AspirA music Scholarships 2025

In 2025, we are pleased to once again be offering three scholarships to highly self-motivated students who are musically talented but are unable to afford the full cost of lessons. We are currently offering these scholarships for piano and keyboard in Classical or modern (jazz/pop/rock) styles.

Scholarships are offered for individual lessons only and will be offered at half the normal cost of a full price half hour lesson. In 2025, this means \$22 (inc GST) for a half hour lesson. The scholarships will be for the full year.

If there are a lot of worthy applications, we may offer more than three scholarships at three-quarters of the lesson cost (\$33).

### Criteria

- demonstrated talent in music, or can show potential to excel in music lessons
- highly self-motivated
- passionate about music
- commitment to turn up to every scheduled lesson for the term of the scholarship
- commitment to practise every day for the term of the scholarship
- own your own instrument or can easily access one to practise on
- under 18 years of age
- commitment to pay the reduced amount for lessons by the due date (usually week three of each term, unless otherwise negotiated)
- commitment to abide the AspirA music studio policy.

### Requirements

- A brief letter of recommendation from an adult outside of your family who can vouch for your talent and passion for music. An example of who could write this could be a teacher, a youth worker, a family friend or maybe even a neighbour who hears you playing your instrument all day.
- A statement of reasons for applying written by the applicant. This is your chance to show your passion for music and tell us why you think you're a great candidate for a scholarship. Your statement should be no longer than 500 words.
- Completion of the application form on the following page signed by both the applicant and their parent/guardian.

If you are awarded a scholarship, it is expected that you will make the commitment to turn up for every scheduled lesson, that you will practise your instrument every day and that you will abide by the AspirA music studio policy. The policy can be viewed at [www.aspiramusic.com.au/documentation](http://www.aspiramusic.com.au/documentation), and will be provided to you if you are successful. In order to practise every day you will need to own an instrument or will need access to one (for example, using a piano at school every day during your lunch break).

### Closing Date

The closing date for scholarship applications is **Friday 14 February 2025**. You will be notified of the outcome of your application by Monday 17 February 2025. The scholarship will apply from the beginning of Term One 2025 until the end of Term Four 2025.

Parents please note that you will have already received an invoice for term one, so please hold off on paying that until you hear about the scholarship results. If your child is successful I will send a new invoice for the reduced amount.

If you have any questions about the scholarships, please contact Daniel Philippe, Principal/Owner of AspirA music on [studio@AspirAmusic.com.au](mailto:studio@AspirAmusic.com.au) or on 0413 599 707.
